

The
association
for and
about
historians
working in
(or on)
Australia.

Australian
Historical
Association

Be part of the largest community of historians in Australia!

The **Australian Historical Association** has been connecting the history community since 1973.

You can **find us** on

the **web** <http://www.theaha.org.au/>

- info on members' books, links to members' blogs, annual conference updates, and other news

Facebook <https://www.facebook.com/groups/35432511729/>

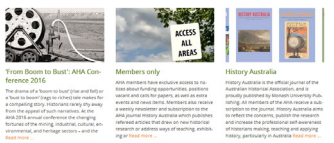

- see what historians are up to, share what you are doing

Twitter @AustHistAssoc

- follow what is going on in historical practice

You can **read** our journal, *History Australia*, online through your library. It reflects the breadth and vibrancy of the historical scholarship in Australia and further afield.
